

## call push KK & prob. AA

Scritto da Scimmiaperpoco - 2008/07/24 04:18

scusate ma il convert non vuole funzionare...

penso siamo mani standard al nl10 ma ne vorrei conferma, nella prima no stat oppo ma per me sensato, già il mini-raise mi puzzava di monster poi dopo il mio 3-bet mi ha subito pushato, quindi l'ho letto in AA però ho chiamato lo stesso perchè ho pensato che almeno al nl10 KK PF sia sempre -ev foldarli, sbaglio?
